Covenant House Florida provides both residential and walk-in services for runaway, homeless, and at-risk youth under 21, including teen parents and their babies. Since opening in September 1985, we have helped over 30,000 youths. Every day we reach more than 180 kids a day via crisis shelters, transitional housing projects, and community services. Covenant House Florida is one the largest private agencies that provides direct care to runaway and homeless youth in the State of Florida. Covenant House Florida is privately funded (about 85%) and we rely on private donations from individuals and businesses to keep our doors open to kids who have nowhere else to turn.
